WdGirls Annie and Kate (2013 HD). . Annie and Kate on Up Late Austin with Jake. Recorded live Jan 13 2015. This is the song Lost & Found. Annie and Kate Release Series #5. We've been texting, you've been on top of things. For the past 10 years we've been on a non stop road trip and now we're back. Back to our days when we would take a road trip and go to downtown laundromats, seedy motels and dive bars to get laid. Those were some fun times, but they're not what we've been up to. We've been up to some fun, but also

some hard work to get to this point and now we're going back. We're trying to get a little more polish and to show you what we've been up to. So on our website, you can find our past videos, music, and you can download some of our new songs. We want to thank you for the love and support. This was so much fun, and we want you to join us on this trip. So here's to seeing you on the next one. And remember, get off your front porch, get to our website, subscribe, and we'll see you next time on a road trip. Audio
