And, of course, they enjoy eating during any occasion, whether it's for lunch or dinner. Vietnamese food is also just as diverse as its culture. Did you know that somewhere you could find both French and Chinese influences? And let's not forget about the local food, like Vietnamese pastries and Thai-style curries. So, with summer in full swing, it seems that eating even more is a must!

Our gluten-free menu is full of delicious, gluten-free Vietnamese dishes for you to choose from. We have a number of vegetarian menus to choose from, and a few Chinese dishes, too. Vietnamese food is not that easy to find in other gluten-free restaurants. But at Maison Des Amis, we want to show you that gluten-free food can be very delicious and easy to eat. Virus writer is arrested after Kaspersky detects malware in his bootloader In a weird case of malware-as-good, a 16-year-old convicted criminal, Dmitry Sedins of Russia, was arrested last week after his computer infected with a relatively harmless virus detected a self-replicating worm in his bootloader. The worm writes itself to the boot sector, the first sector of the hard drive, without infecting the operating system. Russian authorities have been watching Dmitry for the past year, after an
