25, 2014 Hii! I downloaded this game on my new computer. After downloading it, I found that I couldn't access anything in this game. I'm using windows 7. What do

I do? RMXP: RPG Maker XP Code Generator. The character creator is by no means the best out there, but it works. I think you need to find the old forums for it. Dec 2, 2011

Hey, I downloaded this game today and I cannot seem to get into it. I am using a Windows XP computer. I downloaded it on a computer that

was already on this one (bought recently) and everything was fine. But on the computer it is currently on, I can't get in. Any help?
