Prostatic hyperplasia (BPH) is a disease characterized by an elevated proliferation of epithelial and stromal cells in the prostate gland. The development of BPH is associated with an increased generation of free radicals in the prostate, which leads to the activation of a series of biochemical changes. The aim of this study was to assess the antioxidant system status of serum from the patients with BPH. The data obtained from both the total antioxidant status and the malondialdehyde (MDA) levels showed that patients with BPH have a lower antioxidant capacity and higher MDA level than controls.Directions Heat the grill to medium heat. To make the sauce, in a small bowl, whisk together the oil, vinegar, soy sauce, sesame oil, garlic, pepper flakes, and salt. Set aside. Ki Dulhan's Simple Brother: Directed by Ali Abbas Zafar. . View {video title} . Katrina Kaif, Imran Khan and Ali Zafar in Simple Brother Ki Dulhan (2011). Apple. I decided to write a review. Unlike the usual review, I will not parse and criticize the film. Here you will read my subjective view of the film, and at the end I will draw conclusions. The film is based on the story of a young and successful, but very modest man, Ki Dulhan (Imran Khan), who tries to remain in the background so as not to distract other people's attention from his beloved wife.
