View related product details. Please enter your name. This page does not contain information that is relevant to the serial number or Microsoft account that the user is logged in with. MLB 2K12 is a sports video game that was released in on PC, PlayStation 3, and PlayStation 2 in. Major League Baseball 2K12 is a sports video game that was released in on PC, PlayStation 3, and PlayStation 2 in June 2012. The game, developed by Visual Concepts, is a MLB license game, with realistic 3D action and base. In MLB 2K12, players can create their own team and team management tools, download content for them and their MLB 2K12 game saves, and even trade. The players can choose their own personalized team name. The player may take special courses, such as a player development course, that can improve his or her team in various ways. The player can also trade, sell and buy players, manage finances, collect money, and upgrade his team's play. Like all sports games, the players can also have fun by playing the arcade. This includes various modes such as challenges, and batting practice. Players can also access the bullpen and see who is left in the bullpen. With the 2K Sports Ultimate Team mode, players can play with one team. The players will then be able to buy players on their team. They also have options to play with a different team, such as various managers and coaches. The game contains a create-a-player tool, which allows the player to create his or her own player.
