
BitRecover JFIF Converter Wizard Free Download Latest

In 3.0 version of BitRecover JFIF Converter Wizard [Windows and Mac versions included] an improved UI was added that enables users to change JPEG quality, resize or rotate images. The basic functionality of the program remains the same, it was only adapted to the new look. The latter was done by changing the appearance of the interface and menu bar while maintaining the same functionality. In addition, BitRecover JFIF Converter Wizard 3.2 supports conversion of JFIF files in the most recent version of PDF formats.
