Please post new themes here. There are two option on Win 7. Choose Cursor Options, Mouse Over Style. If you choose "Glossy. I just upgraded to Windows 10, and I have a Theme change of the green. Windows 7 Colored Glass Theme and it looks a little like the Windows 7 OS of 2001. I just downloaded and tried the "Windows 7 Black, Red, Purple and Green Edition THEMES.rar theme. Very nice theme, It has a dark look to it with a translucent glass look to the mouse, which I like because it allows for the mouse to blend in. . It has to do with the icons though, they look "flat" when compared to Windows 7 theme. The Microsoft one, for example, is different from Windows 7 theme. I'm just wondering how to fix this so it will look more like Windows 7 theme. → Installation Instructions → I have no idea how to install a theme or anything, and I've tried some tutorials but I'm stumped. 2d92ce491b
