I would like to be able to find copies of it in the US. Thanks, Sharon Paterniti PS If anyone has it that has experience with locating magazines through Google, that would be most appreciated! Broke Model Engineers Magazine Section 25 - January 1960 on CD - \$9.99 Broke Model Engineers Magazine Section 25 - January 1960 on CD - \$9.99 Hi folks, I hope this works, I got Section 25 of Model Engineer Magazine from Broke (on CD) and it seems to have saved a trip to the library for me. It's missing several photos (particularly a page with a photo of their new Craftsman tool) but that's ok. Anyway, I've got a missing section too, let's see if we can get them back together. I'd like to get the whole set. Sincerely, Bob Godwin MODEL ENGINEER WORKSHOP MAGAZINE ISSUES 001-163 PDF Model Engineers Workshop Magazine Issues 001-163 on 2 DVD's - \$19.99. Broke Model Engineers Magazine Section 26 - March 1960 on CD - \$9.99 Broke Model Engineers Magazine Section 26 - March 1960 on CD - \$9.99 i've lost or misplaced a few issues of Model Engineer magazine that are very important. Issue 001-163 is a reissue of the January 1960 issue, so it may not be of great interest to most people. One particular issue that is not there is issue 26, the March 1960 issue. Have any of you got a copy of this issue or can point me in the right direction? Thanks, Tom Model Engineers Workshop Magazine Issues-001-163 PDF - PsiCl 2d92ce491b
