Nov 11, 2014 How to change language from russian to english sniper elite v2 . 24.10.2017 19:48 first of all it sounds like it was an automatic converter from Russian to English, not a game you can read the source code from and just change it yourself A: okay found a solution. How To Change Language From Russian To English Sniper Elite V2 Basically You can convert code of the game in one file by one file. Like you can have one file for Russian and another for English. Follow these steps for it. You can download the game here, extract the zip to the desktop Download the txt file from the zip in this link (you can download it on no limit link) Copy the files in the desktop. Paste the files from the desktop in the game folder, in your case C:\Users\Steam\steamapps\common\Sniper Elite V2\ Open the game and play the game, the language will change into english automatically. Happy clicking :) A study of transthoracic needle aspiration cytology and lung resection for lung cancer in China. The traditional methods of diagnosing lung cancer, including imaging, and histopathology following resection, are quite limited. The present study aims to evaluate the diagnostic value of transthoracic needle aspiration cytology. From September 2013 to August 2016, a total of 1,356 patients with lung cancer were analyzed. Patients were divided into the following three groups: (1) the lung cancer group (the lung tumor was confirmed by pathological diagnosis); (2) the benign lung diseases group (there was no evidence of a malignant lesion on pathology); and (3) the non-lung cancer group (the patient had no evidence of a pulmonary lesion on imaging).
