January 20, 2022 - Chalo Dilli 2011 Hindi Movie 400MB HDRip 480p Download. IMDB rating: 6.8/10. Director: Shashant Shah Release Date: April 29, 2011 Description: A film from director Shashant Shah, who recently started his career in the film industry. This film will not be something out of the ordinary, but in my opinion it is quite good quality. The plot is simple - a girl and a guy. They live together and everything is fine with them. But that's just a guy - not quite a simple guy. His family is rich and they are all very high-flying. And in such an environment it is very easy to break down. And then one day his father offers his son to earn a large amount of money.
