June 2, 2017 - Sweetiee Weds NRI Movie Review. Plot: A wealthy businessman wants his daughter to marry an NRI. The problem is that she loves another guy who. You know, it seems to me that if there is a place in Hollywood for remakes, then this, of course, is Sex and the City. Because, like for many years, Carrie Bradshaw and all her other friends always marry "the guys of their dreams" and "fall in love" with them. And in the end, they all end up with nothing. What's wrong with them? Why Carrie? She was never perfect, and neither were her friends. Why are they all doomed. Or, even worse, why exactly is she ?
