Christmas trees gather on the roadside the first 2 weeks of January. HUNTERDON COUNTY LOADING STATION / PROCESSING DEPOT. 11 Petticoat Lane, Annandale 908-236-. As the trees on the side of the roads become greener and greener, they start to smell. If you don't want your trees and your work to be on fire, you need to take precautions. Over 20 wildfires have been reported in New York State in the past few weeks, so we must protect trees and our future. There is also a trend for trees to be planted more closely so that you can see more than one tree.
