You can remove unwanted or unanticipated frequencies from your music tracks by means of the 3-band active EQ. Each frequency band can be set to high, medium, or low qualities. Adjusting the EQ makes it possible for you to alter the sound as you are used to it. The EQ is complemented with a 12 dB/Octave low-pass filter to remove unwanted signals down to 50 Hz. A very accurate VU meter shows you the amount of signal after each adjustment. VU meter: The three channels feature one channel each in a 12 dB/octave low pass filter. All in all, Cyclop delivers a rich-featured suite of options for tweaking the sounds with the aid of distorting and modulating modes as well as special effects. You can adjust the 3-band active equalizer to high, medium, and low qualities. The EQ is complemented with a 12 dB/Octave low-pass filter to remove unwanted frequencies down to 50 Hz. A very accurate VU meter shows you the amount of signal after each adjustment. Big VU meter: The 3 channel feature one channel each in a 12 dB/octave low pass filter. You can adjust the individual channels of the 3 band active equalizer for the main, mid and side frequencies to a sound quality of any level. Master Level: Allows you to adjust the Master Level in the range of -24dB to +24dB. Sound Controls: You can control the sound from the main and sub oscillators, filters, effects and modulation inputs by adjusting the three main controls, "VU meter", "Assign-sound/FX" and "Sound Controls". You can adjust the three main controls, "VU meter", "Assign-sound/FX" and "Sound Controls". You can set the Sound Loop track to the Octave, half-wave, Pulse. The Track Loop is connected to the oscillators for triggering your audio file. When the "VU meter" indicator is at the track loop position the track is automatically modulated. You can use the main controls for a pitch bend, a modulation to a selected LFO and 0dB, the assign sound/FX control, and the sound controls for the parameters like notes, pitchbend, modulation, glide, filterwidth, filter type, filter key, and the sound quality.
