What's New in the CapeSoft Office Messenger?

System Requirements:

Game Version: Version 1.3.1 GOG is working with Tango Gameworks to create a new and improved version of the original and classic game known as Bad Mojo. A "golden age for PC gaming" marked this game in 1994 and was released on January 16, 1994 in North America and January 19, 1994 in Europe. The game was developed by Jonathan Hooker and published by Apogee Software for the Macintosh. Content: The Bad Mojo remake is designed to offer modernized gameplay that should retain the charm of the original
