I found this below link which is actually recorded by someone else. How to install the Autocad 2013 Serial Number (SKU) OS: Windows 8.1 Pro 64bit How do I find the product key for Autocad 2013? What I did was, I read some answers on this website and one of them was about using a third-party software Autocad Product Key Finder which is most likely the solution for me. I also found a software called Duress. You just have to do some very simple steps to find any product key for autocad 2013. 1) Download the software from the link mentioned above. 2) Install the software and run it. 3) In the Autocad 2013 Product Key Finder software; search for the Product Key of Autocad 2013 and . 4) There you go, the process is completed. Alternatively you can use the below link The serial number which is listed in this article is not the free product key for autocad 2013 as it isn't printed on the box. So make sure you get the download link of the products which are listed on this page. If you don't get 3da54e8ca3
