Business Love and relationship Family and friends Health Future Using Virtual Fortune Teller:
Lenormand, you can read the fortune of the present, the near future, the distant future and the personal card of the partner. The software uses Maria Lenormand's deck: Tarot is a card game which is widely played in Europe since the beginning of the 16th century. It was created in Bohemia and was spread throughout the world. Originally, the cards depicted images of the events of everyday life. On one of the cards, each of the original 22 Tarot suits was represented by a type of instrument. Each suit was assigned to an animal which was considered the Holy Spirit of the various tarot suits. There were twenty-two of these suits: Swords, Cups, Pentacles, Pages, Swords, Chariots, Cups, Hermit, Pages, Chariots, The Hanged Man, The Moon, The World, The Devil, Judgement, The Tower, The Star, Hanged Man, The World, The Fool, Wheel of

Fortune, The Devil, Justice, The Empress, The Chariot, Death, Temperance, The Devil. The name of the game comes from the words in Italian for card: Tarocchino. At first, the game was played only for entertainment but later, Tarot became popular as a game of financial astrology. Virtual Fortune Teller: Lenormand is able to analyze the present life situation, as well as the near and distant future and the personal card of the partner. With the help of the knowledge bases of Tarot decks and the analysis of the partner's psychotype, the user can read the fate of the day and find the right tactics for relationships. The knowledge bases of the Tarot decks contain many interpretations for tens of thousands of cards and their positions and combinations. The software includes many popular spreads, wizards for choosing personal card, a convenient user interface, animation, a calendar of fortunetelling, changing suits of cards and backgrounds and more. In order to improve the reliability of predictions, the user's psychotype is determined and involved during fortunetelling. Features:
