If playback doesn't start soon, ... Under this guise, as it should be in which case, the rules have completely changed in the 'Star'. If earlier for such conversations, if they did not find approval from the authorities, they were fired with a wolf ticket, now these conversations simply served as a lever of pressure on the obstinate. Colleagues knew that the last time Ivan Vasilyevich was summoned to the district committee to get his opinion on how the situation could be rectified. He agreed that it was necessary to change or adjust the reporting, but he saw the most difficult thing in improving professionalism. And not much time had passed since that conversation, and Ivan Vasilyevich could no longer live and work without this wonderful habit - to think. - Ivan Vasilyevich, you will be our leading scientist. Do you have any objections? "No,â€î he answered calmly, although he felt his forearm cramp. And he surprised himself. In his memory, employees were invariably thrown out of work for talking to their superiors about how good it was to be a boss. Not for talking, but for talking! - All right, Ivan Vasilyevich. We will work with you for more than one year. Ivan Vasilyevich tossed his head: - Andrey Nikolaevich, it will be too good. This was again his favorite saying, which meant that at the moment "Asterisk" is doomed to 'bad' in all positions. Andrei Nikolayevich was silent for a moment and asked: - Do you remember that our team obliges you? In his answer, Ivan Vasilievich was old-fashioned and conservative, like that pine forest that the chairman of the city executive committee looked after for him. He knew that the reserve needed constant protection, that employees should greet someone when they met, because this is a sign of good manners and politeness. As for the code of conduct... Nothing new, ordinary collective farmer and even more. It seems that God himself ordered. However, Andrei Nikolaevich looked at the chief zoologist with some mysterious squint, and Ivan Vasilievich could not stand it: - And
