I did a Google search on "private companies use children for money" and this is a good read.:) I come from a small town in the South and had no idea that kids can be used for many different things. I know a lot of people who use their kids for money and it's very sad to see. I feel this article will raise awareness, bring questions to mind and hopefully help people realize that this is a huge issue. I would definitely say I would be against publishing articles like this one because of this. I would definitely feel like it is basically
