## System Requirements For FIVE By StatsLog:

Can I run it on the PS4 and Xbox One? Yes, but you must purchase the PS4 version through the Playstation Network and the Xbox One version through the Xbox Live marketplace. You must also own the original game on the Xbox One and have the latest Xbox Live update installed on the PS4. I play the original Xbox version on my Xbox One. Will I have any issues running the digital PS4 version on the Xbox One? Yes, you will. Although the Xbox One version is the same version as the original, it has a few difference
