## System Requirements For TinySpell:

How to install Minecraft: Double-click Minecraft.exe and follow the onscreen instructions. If asked to update Java, click “Yes.” Make sure you have enough free disk space (about 3 GB). Install Java to the default folder (usually C:\Program Files\Java\jre7\). Installing Minecraft Forge: Create a folder in your world folder named “forge.” Download the minecraft-forge-release-19-03-5.zip file to that folder.
