FIFA is a simulation game, available on all major platforms, that lets you live out your dreams of playing professional football. Football is more than a sport - it's a religion. And FIFA lets you follow your dream, either as a superstar player or a coach. There are six main game modes - FIFA Ultimate Team (FUT), Pro Clubs, Career, online play, FIFA Showcase and online play. There are four game modes in FUT - the new packs, Draft/Trade/Mudhut Team or MyClub. It's a deeper experience, so you can now earn trophies and have more control over team formations and lineups. In Career mode you can manage your players by signing new contracts and selling them. You can compete in your own leagues in MyClub, as well as interact with other players. You can also earn an MBA by unlocking prestigious clubs and train new players. In online play, you can play head to head matches and tournaments. There are more than 30 leagues, with online players and offline players in them. For the first time you can play FIFA in Russia, Italy and the United States. For Showcase, you select your top five moves, with real-life comparison and balancing done by our PES-accredited scouts. You can also upload videos to YouTube of your club's game-play highlights and share your best moments with other fans worldwide. With over 600 officially licensed players and teams in FIFA, you can have your very own team of the world's greatest footballers. The game includes real training, player movements and animations, ball and vision tracking, and we've improved the AI and dynamic gameplay. There's also 18 new stadiums with attendances, over 850 game-play animations, historic kits and a full music catalogue. For the first time, the game has a 'Play First' technology that lets you instantly play online or offline matches with your friends and the computer. Finally, online network multiplayer now allows up to 15 players to play on one console.
