We will spend the first four months of the year at home and will spend two weeks in each country. If you are interested in joining us on this adventure, then let us know. Our first stop will be the United Kingdom. The next stop will be Ireland. We will be back for more in July. Our first challenge in the UK will be to identify all the birds. Let us take a look at the UK bird guide and begin our journey. What is a bird guide? A bird guide is a book which will help you identify and identify birds from your own backyard. You have many options in the UK. You can go to a bird shop and spend a lot of money on a book. If you don't want to spend that much money, then you can
