The 18th-century Russian icon of Theophany and the baptisms of Jesus, Matthew and John are among works from the state Kremlin museums that are due to be moved to St Petersburg in the run-up to the World Cup. The Russian Orthodox Church, which has received hundreds of thousands of visitors, is planning to move numerous sacred works from Moscow to St Petersburg's Donskoi Museum next month as part of its World Cup preparations. The first two icons will move from the Tretyakov Gallery to the church of St Nicholas and Theophany in the Kalinin Prospect in St Petersburg on 2 May - the day Russia host the first match of the tournament in their opening game against Croatia. Images from the Tretyakov will also go on display in the Donskoi Museum for the first time. In a development with long-term implications for the Kremlin's religious tourism, the Russian government has declared St Petersburg - and not Moscow - the "capital of Russian Orthodoxy". The ruling party, United Russia, wants the symbolically sensitive move to form part of its campaign to portray Russia as a moral "superpower". In an interview on state television, Sergey Sobyenin, mayor of the city, said the country needed to "stand up and show to the whole world that Russia is not just a mafia state, but also a civilised country that sets strict rules for both within itself and in the outside world". It needs a proper interior, a proper capital." The Kremlin has set up a panel of experts to suggest what should be moved. Theophany - the religious feast day of Jesus' baptism in the Jordan - is a fitting theme for the day the World Cup kicks off. On the morning of 16 June, the day of the tournament, Theophany will coincide with the official opening of the "Man of the Century" Museum in Kremlin's Red Square. It is the focal point of the Kremlin's World Cup event, when a giant bouquet is blown up in the middle of the square. The museum's patron is Vladimir Putin, and three of its exhibitions are about the life of Russian singer and songwriter, Yevgeny Kovalchuk. One of
