As you can see, we're adding a ton of new GURPS Fourth Edition content, and expanding the scope of our existing Third Edition books. And as always, you'll find all the familiar GURPS Fourth Edition info you know and love.. plus tons of new and cool stuff! For over a decade, Mutants & Masterminds has been the world's greatest superhero RPG. Now it's your turn to live out your fantasies as your favorite characters in the unbelievable world of Superhero City. Whether you want to play a member of the Justice League, a GURPS Fourth Edition superteam, or a mutant, you can make your character the super hero you've always wanted. Featuring comic-book-style character designs, Mastermind's Heroes provides background details, equipment, and adventures you need to add to your favorite game or run it as its own game. If you're already a GURPS Fourth Edition hero in training, you'll find that Mastermind's Heroes is an excellent supplement for your ongoing game with minor adjustments that fit right into your campaign. Or you can use it to create your own superheroic adventures! In Mutants & Masterminds Deluxe Hero's Handbook , you'll find hundreds of ways to make your character more powerful, as well as ready-to-run adventures to introduce your hero to the city. In addition, you'll find guidelines for converting Mutants & Masterminds Classic for use in most other games, not just GURPS Fourth Edition . If you're interested in running your own superheroic roleplaying game, in another game system, or in converting your current game, you'll find Mastermind's Heroes a welcome addition.
