The first has a bottle of whisky, the second has a packof cigarettes, and the third has a car. The alarm clock's off and he cannot getto sleep. He goes into the sitting room and switches on thetelly. All three workers start to complain and the scene endsup with the alarm clock falling off the table. This is the way it happened. This free Screensaver is themed as a mechanical one! It featuresa very weird three-dimensional clock which is made up of 5 parts andshows each the time. While the time is running the tension isincreasing. This Clock is not only stylish, but also verycomplex. You should definitely download it if you are a fan ofphotos of clocks, mechanical or not. It will surely fascinate you. Feel free to download it and share it with your freinds! 5ec8ef588b
